that occurred as a result of Hurricane Sandy. This file will house
all information related to the recovery and remediation efforts of
the Moonachie New Jersey facility.

Details

Document Title: (U) Moonachie New Jersey Flood

Synopsis: (U) Establishes a file to document all recovery and remediation
efforts as a result of the flood from Hurricane Sandy.

Details: (U)

As a result of a breach of the levy in Moonachie New Jersey, the New York
field office facility was flooded with approximately 20 inches of water.

The flooding resulted in damage to Official Federal Bureau of
Investigation paper records, various equipment, and furniture throughout
the building. This communication establishes an official record of the
recovery efforts associated with the damage to the Moonachie, New Jersey
facility located at 35 Oxford Drive, Moonachie, New Jersey, 07074.
